What is one of the biggest problem you encounter at the car mechanic shop?

12 responses

Overcharging

The amount of time to wait

No car

Annoyingly time consuming, especially when I just want a oil change

I dont have that much trouble

Overcharging for simple services

n/a

inconvenient, long wait times

Mechanic Error

Confusing upcharging, dont know what I need fixed everytime i come in

wait times

Long wait time

What is one thing that you think will improve your experience when getting your car service?

12 responses

Better scheduling

fast and easy service

no car

faster service

The price should be lower

Not going at all, Would rather fix things myself

n/a

shorter wait time, cheaper price, more accessible

More efficient car work

efficient car work, get exactly what i need fixed

need faster service

If i dont have to wait all day
